## 8<sup>TH</sup> ANNUAL SCIENTIFIC MEETING

---

March 1, 2018

Dear Supporter,

On behalf of the Mountain Area Health Education Center's Department of Continuing Medical Education and the Southern Headache Society, we would like to thank you for your consideration in providing support for this conference.

Drawing from both scientific and clinical research, the Southern Headache Society 8<sup>th</sup> Annual Scientific Meeting will focus on clinical advances in headache medicine. Lecture topics will include updates on the use of neuromodulation, new therapeutic options targeting CGRP, and management of primary headache disorders including migraine and cluster. The curriculum is intended for both specialists in headache medicine as well as general neurology, psychologists and primary care providers treating headache.

At this time we respectfully request support in any amount your organization wishes to provide from the attached prospectus.

On behalf of the Southern Headache Society and the MAHEC Department of Continuing Medical Education, please accept my appreciation for your support of quality education for physicians in the Southeast.

Best wishes,

*Brian Loftus, MD*
